Teen Permission

'TP1'   {Earlier you mentioned you had at least one adolescent age 12 to 17 in your household.}
We would like to survey {ADOLESCENT'S FIRST NAME OR INITIALS OR
GENDER/AGE DESIGNATION} for our study. It is a web survey and should take
{him/her} about 15 minutes to complete.
Your teen's answers may help other teens in your community and across California.

| TP1 |

As a token of our appreciation, we will send your teen a $10 gift card for completing the
survey.

We will mail the survey information to your home with instructions on how your teen can
complete the survey.

1.   Click here to see the types of questions we will ask

[Questions in the teen survey are a lot like the ones you are answering, but it is much
shorter. It covers a range of health issues including general health, diet, exercise, and
other healthy and unhealthy habits like smoking and drinking alcohol, and using drugs.
There are also some questions about bullying, violence, and sexual behavior. There are
a few questions about suicide thoughts or attempts because it is such a serious health
concern. We provide counseling and support information for any teen in need.

Your teen can skip any question they want or stop the survey at any time.]

2.   Click here to learn about how we intend to contact your teen

[We will send a letter to your home asking you to provide a sealed envelope to your
teen. This envelope will include the study link and their unique secure access code. With
your permission, we will also obtain a best phone number to try and complete the survey
over the phone in the event your teen does not complete the survey on the web. Your
teen's name and any contact information we have will be erased from our records after
the study is complete.]

3.   Click here for our privacy protection policy
