HI_INTRO

This set of questions focuses on whether you may have been targeted for hate because of prejudice toward people with certain identities, characteristics or religious beliefs. You may or may not actually have these identities, characteristics or religious beliefs. It is different from someone targeting you for other reasons, such as being angry or wanting to steal from you. Hate incidents can include physical abuse, verbal abuse, cyberbullying, property damage, or something else.

Nakatuon ang grupo ng mga tanong na ito sa kung ikaw ay maaaring pinuntirya ng matinding pagkapoot dahil sa masamang palagay laban sa mga taong may ilang pagkakakilanlan, katangian o relihiyosong paniniwala. Maaaring mayroon o wala ka naman aktwal na ganitong pagkakakilanlan, katangian, o relihiyosong paniniwala. Iba ito sa isang tao na pinag-iinitan ka dahil sa ibang mga dahilan, tulad ng karaniwang pagkagalit o gusto kang pagnakawan. Maaaring kabilang sa mga insidente ng pagkapoot (hate incident) ang pisikal na pang-aabuso, pang-aabuso sa pananalita, cyberbullying, pinsala sa ari-arian, o iba pa.
