As a token of our appreciation, we will send your teen a \$10 gift card for completing the survey.

We will mail the survey information to your home with instructions on how your teen can complete the survey.

[Questions in the teen survey are a lot like the ones you are answering, but it is much shorter. It covers a range of health issues including general health, diet, exercise, and other healthy and unhealthy habits like smoking and drinking alcohol, and using drugs. There are also some questions about bullying, violence, and sexual behavior. There are a few questions about suicide thoughts or attempts because it is such a serious health concern. We provide counseling and support information for any teen in need.

Your teen can skip any question they want or stop the survey at any time.]

2. [Click here to learn about how we intend to contact your teen](#)

[We will send a letter to your home asking you to provide a sealed envelope to your teen. This envelope will include the study link and their unique secure access code.
